Welcome to Chiyoda City

Chiyoda City is home to the Imperial Palace (former Edo Castle) at its central part and is known as the birthplace of the Edo and Tokyo culture.

The City boasts landmarks and landscapes such as Tokyo Station as a huge train terminal, the world-famous electric town Akihabara, Kanda with the Edo period atmosphere and cherry trees planted around the Imperial Palace.

Chiyoda City has a wealth of attractions for everyone to enjoy in all aspects, including the urban function, tourism and broad range of commercial facilities.

Kanda/Jimbocho/Ochanomizu area

神田・神保町・お茶の水

Located near the Edo Castle (present-day Imperial Palace), this area has long been a thriving town with many historic buildings. There are also many old temples and shrines and Kanda Myojin Shrine is one of the most famous ones. As the birthplace of the Edo culture, the old private dwellings and long-established restaurants in Kanda retain their traditional appearance and atmosphere of Edo/ Tokyo in old times.

江戸城（現在の皇居）に近く、古くから栄えていた地域で歴史的な建物も多い。古い寺社も多く、特に神田明神は有名です。江戸文化の発祥地である神田は古い民家や老舗の飲食店などが、昔ながらの江戸・東京の姿をとどめています。

Kojimachi/Fujimi area

麴町・富士見

Located on the northwest side of the Imperial Palace, the Chidori-ga-fuchi Inner moat is a famous cherry blossom viewing spot. Yasukuni shrine is another famous spot for viewing cheery blossoms in this area.

皇居北西にあり、皇居の内堀の千鳥ヶ淵は桜の名所として有名。
靖国神社もこのエリアを代表する桜の名所です。

Akihabara area

秋葉原

The world-famous electric town Akihabara attracts hordes of people not only with its electronic goods, but also because it is the mecca for the Japanese anime, idols, maid cafes, etc.

世界的に有名な電気街の秋葉原は、電化製品はもちろん、日本のアニメ、アイドル、メイドカフェなどの聖地として多くの人々が集まる街です。
